UNITED STATES PATENT AND TRADEMARK OFFICE

Examiner: Gerald A. Michalsky

Art Unit: 3753

In re:

Applicant: Mehmet-Faith SEN

Serial No.: 10/067,069

Filed: February 6, 2002

TECHNOLOGY CENTER 3700

RECEIVED

MAY 23 2003

LETTER

May 23, 2003

Hon. Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

In the Office Action the Examiner indicated that the application contained claims directed to the patentably distinct species of the claimed invention, namely Figure 1 and Figure 2, and indicated that the application had to be restricted to a single disclosed species.

With the present communication applicant wishes to make the following remarks.
